REPORT
99-173

AUTHORIZING THE TEMPORARY PLACEMENT OF A BUST OF THE LATE DR. MARTIN LUTHER KING, JR., IN THE ROTUNDA OF THE CAPITOL FOR DEDICATION CEREMONIES, AND FOR OTHER PURPOSES

NOVEMBER 4, 1985.—Ordered to be printed

Mr. MATHIAS, from the Committee on Rules and Administration, submitted the following

REPORT

[To accompany S. Con. Res. 84]

The Committee on Rules and Administration, having considered an original concurrent resolution (S. Con. Res. 84) to authorize the temporary placement of a bust of the late Dr. Martin Luther King, Jr., in the Rotunda of the Capitol for dedication ceremonies, and for other purposes, reports favorably thereon and recommends that the concurrent resolution be agreed to.

This original concurrent resolution provides for the customary authority necessary for dedication ceremonies at the unveiling of the Dr. Martin Luther King, Jr., Memorial sculpture in the Great Rotunda of the Capitol. This memorial sculpture was authorized by House Concurrent Resolution 153, 97th Congress. This subsequent concurrent resolution would further authorize the placement of the King memorial sculpture in the Great Rotunda for a period of not more than one year, at which time the sculpture shall be moved by the Architect of the Capitol to a permanent site selected by the Joint Committee on the Library.

This resolution also provides the customary and necessary authority for the Architect of the Capitol to make the arrangements for the placement of the bust, and authorizes the publication by the Joint Committee on the Library of the proceedings of the ceremony. The Government Printing Office has provided the Rules and Administration Committee with a cost estimate for the printing of the five thousand additional copies of the published proceedings of the dedication ceremony specified in this resolution. This cost estimate is based on the model of the publication of the proceedings at the dedication of the bust of Constantino Brumidi.
